

2018 Family Connections Training Calendar

January

Pyramid Model

The Pyramid Model is a tiered prevention and intervention model and addresses challenging behavior through evidence-based practices. Implementation of the Pyramid Model builds upon the foundation of common developmentally appropriate expectations, language, and responsibilities outlined in the Wisconsin Model Early Learning Standards. This 24-hour training will include hands-on, practical strategies that you can use in your classroom tomorrow! There are also take-home materials and resources that are easy to use!
