## Did You Know?

Did you know blowing bubbles with your child teaches motor and oral skills as well as their hand/eye coordination?

1. In a large container add  $\frac{1}{2}$  cup of dish soap and 1.5 cups water.
2. Next mix in 2 teaspoons of sugar or corn syrup. Stir..Stir..Stir
3. Go outside and enjoy blowing bubbles!

Cool off with this healthy protein packed snack! It is fun to make and eat!!

Lay out a whole wheat tortilla, spread on the peanut butter and place a single layer of sliced strawberries on top!

Roll it up and enjoy! Cut the wrap into 1 inch pick ups for little ones!
